

## Chapter 7 (Work Sheet 2)

### Read pages 158 to 162

1. Using the photograph on page 158 and the picture below, what are some of the occupational hazards do you think these workers faced?

**River drive, ca. 1907-1928 (copied from [www.heritage.nf.ca](http://www.heritage.nf.ca))**

The purpose of the river drive was to float pulpwood to the mill site or railway depot.

---

---

---

---

---

---

---

---

Name: \_\_\_\_\_ Class 8-\_\_

3. Using your notes and the text on page 159, create a timeline for the Labrador Boundary Dispute. *Please note, the text only starts at 1902, your time line should start in the 1700's.*

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

4. Why would “the company” provide facilities to people living in Buchans during the 1920’s?

---

---

---

---

---

Name: \_\_\_\_\_ Class 8-\_\_

5. Describe what it would be like to move from a small fishing community to a large industrial town? (This can be in the form of a letter.)

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

6. How did lifestyles change in Labrador in the years between 1900 and 1940?

---

---

---

---

---
